The Secretariat of the United Nations presents its compliments to the Permanent Mission of the Republic of Moldova to the United Nations and has the honour to refer to the requirement for the services of Military and Police Officers in active service. In this regard, the Department of Peacekeeping Operations (DPKO) and the Department of Field Support (DFS) are seeking the nomination of candidates for appointment on secondment to the Secretariat of the United Nations, for an initial period of two years. There are 25 posts available through the issuance of 23 Job Openings. The Job Openings are posted for a period of 90 days effective 24 August 2012. The closing date for all Job Openings will be 21 November 2012.

The nomination procedures together with all forms to be completed will be included in this package. It is kindly requested that all documentation be submitted to Mr. Valery Grob, Staffing Unit B, Headquarters Staffing Section, Office of Human Resources Management, the UN Secretariat, 1st Avenue, New York, Room S-1901, Phone: (212) 963-4622. Applications received after the deadline specified on the Job Opening will not be accepted.

In as much as the posts require the expertise of military and police officers in active service, the Permanent Mission of the Republic of Moldova is kindly requested to confirm that selected candidates will be released, in a timely manner, from their national military and police service obligations for service with the United Nations. The Permanent Mission of the Republic of Moldova is also requested to ensure that the rank of each candidate submitted is clearly indicated on the application. In addition, it is strongly recommended that the Permanent Mission of the Republic of Moldova carefully submits only those candidates meeting all requirements for the position as described in the Job Opening.

The United Nations Secretariat would like to inform the Permanent Mission of the Republic of Moldova that in an effort to streamline and expedite the procedures of recruiting seconded officers, candidates approved for placement may be selected for positions with similar functions (same functional title and level) within a period of one year, without a new Job Opening being issued. Staff members are subject to the authority of the Secretary-General and to assignment by him or her to any of the activities or offices of the United Nations.

It should be noted that the nomination of military and police officers who are currently on secondment to the Department of Peacekeeping Operations and the Department of Field Support are allowed to apply for positions in the Integrated Operational Teams (IOT) only and their time in service should not surpass a maximum of four years.

The Permanent Mission of the Republic of Moldova is encouraged to nominate qualified women candidates.

This request is being transmitted to all Member States.

The Secretariat expresses its appreciation to the Permanent Mission of the Republic of Moldova to the United Nations for its cooperation in this project.
